### Product Description

Odor-X is a specialized formula that mixes with fouled wastewater to reduce unpleasant odors produced by stored corrugator runoff, flexo wash-up and boiler blow-down water.

### Product Features

- Pleasant odor
- Concentrated: typical dosage: 2 ounces to 8 ounces per 1,000 gallons of wastewater
- Available in 1-gallon jugs and 55-gallon drums
- Does not affect adhesive performance
- Useful in process water reuse applications
- Can be added to gutters or drains around the corrugator, flexos, diecutters, and flexo wash stations

### Stock checks and reminders

We will monitor your product usage and call to remind you to do an inventory check so you always have enough product on hand.
